Can you answer this? There are 5 people in a room, you go in and kill 4 of those 5, how many people actually remain in that room. Reply with your answer and I'll dm you. If you're wrong, you have to repost it with who you lost to.

09:27

Ab status daliye chupchap

09:27

Ajay Ajju

Answer is yes 🍀🍀🍀

09:30

Ye sb chhota mota sawal to chutki bjate hi solve ho jata h 😊😊
